Memorial Service Catering

A Taste of Britain offers several catering options for Memorial Services. Our afternoon tea service is elegant, satisfying, and ideally suited for guests either standing or seated. Our staff is courteous and respectful, and will handle all the details for you. In addition to the menus provided here, we can offer a variety of other options and are happy to create a custom menu for you.

With our **Full Service Catering**, our expert staff will set up the food and beverages, help during service, and clean up. You don't need to worry about anything. All of our food will be served on China platters and elegant tiers, and full beverage service is included.

We also offer a drop-off and setup service of our **Takeaway Catering**. This is a good option if you have helping hands at the church who can handle beverage service for you. With our Takeaway Catering, we'll deliver our food on disposable catering trays and we'll place the trays onto the church's prepared buffet tables. Nothing needs to be returned to A Taste of Britain after the service. We'll even leave to-go containers for you to take home any leftovers.

If you would like to book catering or just ask some questions, please call our Catering Office at 610-971-0390 x2. You may also email your reception details to catering@atobritain.com.

Labor

A manager is required at every event at a rate of \$65 per hour. Each additional staff member is charged at \$45 per hour. Labor is charged based on the actual time on site, which includes set-up, the duration of the service, and break-down. The number of staff required will vary based on a number of factors, including your menu, the number of guests, and the volume of rentals. However, as a general rule of thumb, a second staff person is usually required for services with more than 50 guests, and any service with China rentals.
