

Memorial Service Catering

A Taste of Britain offers several catering options for Memorial Services. Our afternoon tea service is elegant, satisfying, and ideally suited for guests either standing or seated. Our staff is courteous and respectful, and will handle all the details for you. In addition to the menus provided here, we can offer a variety of other options and are happy to create a custom menu for you.

With our **Full Service Memorial Catering**, our expert staff will set up the food and beverages, help during service, and clean up. You don't need to worry about anything. All of our food will be served on China platters and elegant tiers, and full beverage service is included.

We also offer a drop-off and setup service of our **Takeaway Catering**. This is a good option if you have helping hands at the church who can handle beverage service for you. With our Takeaway Catering, we'll deliver our food on disposable catering trays and we'll place the trays onto the church's prepared buffet tables. Nothing needs to be returned to A Taste of Britain after the service. We'll even leave to-go containers for you to take home any leftovers.

If you would like to book catering or just ask some questions, please call our Catering Office at 610-971-0390 x2. You may also email us to start the conversation: catering@atobritain.com.

Full Service Memorial Catering

With our Full Service Memorial Catering, our expert staff will set up the food and beverages, help during service, and clean up. You don't need to worry about anything. All of our food will be served on China platters and elegant tiers, and full beverage service is included.

Our staff will arrive about 2 hours prior to service to set up a beautiful buffet of our elegant platters and tiers, and will arrange our tea sandwiches, scones, and pastries for a charming tribute. We will provide a cold beverage, ice water, and assorted English hot teas. Our service includes high quality disposables for your guests. During your reception, our staff will ensure that the display looks fresh and neat, and we are happy to provide assistance to any guests who might require a helping hand. Once your reception is complete, our staff will wrap any left over food for you and your family to take home. Then, you can leave to be with your family and our staff will complete a thorough cleanup.

Our staff is gracious, warm, and efficient. We believe that this sets us apart. We understand what an emotional and important day this is for you, and we know that our job is to take care of all the details of this part of the day, so that you don't have to even think about it.

Our food is satisfying, easy to eat, and plentiful. All items are made from scratch for you in our kitchen with care. You will very likely be sent home with leftovers for you and your family.

We understand that it may be difficult to provide an expected guest count for a memorial reception. Therefore, we have created packages for "ballpark" guest counts. Our package pricing is all inclusive. It includes the food, beverages, disposables, setup, service during reception up to 2 hours, cleanup, tax, and gratuity. There are no hidden fees. You may, of course, add to the menu or add to our staff's time on site.

Full Service Memorial Catering Setup

Other Considerations: Many churches provide tables and chairs, but not linens or flowers. We are happy to work with your contact at the church to understand the room setup, table sizes and numbers, and we can rent linens for you. Linens will be priced based on your specific needs. If flower arrangements sent by friends and family are available, we can place these onto the food and beverage tables as soon as the service is over, and this adds a beautiful touch to the table.

We have put our most popular offerings for memorial services in these packages for your convenience. If you prefer a more customized selection, just ask. You may also order from our complete Full Service Catering Menu instead of this Memorial Catering Menu.
